Welcome to Jacqueline's School of Dance, where we are thrilled to have you here. As we celebrate our 40th season, we offer a wide array of classes for dancers aged 2 and up, including ballet, jazz, tap, acro, hip-hop and musical theatre. Our Twinkle Program is designed for children aged 6 and under, while our Club classes cater to those aged 7 and above.

Our season runs from September to mid-June, with 36 weeks of classes. We divide the fees into 5 equal instalments, payable every 2 months. Please note that stat holidays, Christmas, and March breaks are not included in our 36 weeks of classes.

At the end of our season, our students participate in our annual spring showcase called "Dreams Do Come True." This showcase is the highlight of the year, where every dancer in each class performs. We take pride in offering beautiful, age-appropriate costumes for our showcase. Please note that costumes are non-refundable after December 1st.

Each class meets the needs of the 3.5 to 4 year old's development. We use childhood experiences and apply them to movements (ie. butterflies to teach running like a ballerina or bunnies for hopping). **Twinkle Star 1 (Age 4-5) and Twinkle Star 2 (5-6)** *These are special classes that offer the student an opportunity to explore and understand three types of dance at one cost and one trip to the studio. Each week the dancers are exposed to ballet, jazz, and tap. Dancers learn basics steps and terminology in all three styles. Our goal is to inspire movement and creativity in a positive environment.*
